The must-attend event for Georgia's life science community! CGHI/Georgia Bio partners get 30% off tickets

For more than **20 years**, we have presented Georgia's premier bioscience and medtech conference welcoming 500+ CEOs, senior executives, scientists and public policy officials from Georgia and across the nation. Previously known as the Georgia Bio Innovation Summit, the summit is the largest state bioscience conference in the Southeast, and we are excited to be holding the event at **Mercedes Benz Stadium** this year. Join us as we showcase Georgia's leadership in innovation, from basic research to manufacturing, to improve the health and well-being of people, animals and the environment. **Exhibitor and sponsorship opportunities are still available!**

Keynotes:

Julie Louise Gerberding, M.D., M.P.H., Chief Executive Officer of the Foundation for the National Institutes of Health (FNIH)

Vasant (Vas) Narasimhan, M.D., Chief Executive Officer of Novartis
